ACCREDITATION

Entity Name ACCREDITATION
Definition A subtype of AUTHORIZATION.
A type of Authorization that supports Lab Accreditation.

ADDRESS

Entity Name ADDRESS
Definition The physical location of a place of interest to DOH. This is usually the physical (Geographic) location where a PARTY is located, but it could be a Post Office Box to which mail can be delivered.

ADDRESS TYPE

Entity Name ADDRESS TYPE
Definition A classification of types of addresses.
Examples are: Post Office Box, Delivery, Shipping and Home.

AGENCY

Entity Name AGENCY
Definition This is a subtype of PARTY.
A legal organization of interest to DOH. May also be known as a BUSINESS.
Examples are: Rural Health Agencies, Auburn Regional Medical Center, and Cascade Medical Center.

APPLICANT

Entity Name APPLICANT
Definition This is a subtype of PERSON.
A person attempting to become Authorized, or a PERSON representing a BUSINESS that is attempting to become Authorized.

APPLICATION

Entity Name APPLICATION
Definition The event of a PERSON or BUSINESS attempting to become Authorized.

APPLICATION COMMENT

Entity Name APPLICATION COMMENT
Definition The concept of storing comments about an APPLICATION. This allows for multiple comments to be entered and tracked.

APPLICATION FEE

Entity Name APPLICATION FEE
Definition The amount of money charged to process a type of APPLICATION.

APPLICATION ROLE TYPE

Entity Name APPLICATION ROLE TYPE
Definition The concept of identifying the different types of roles that a PARTY can play.
Examples are: Applicant, Contact Person, Processor, and Reviewer.

APPLICATION STATUS

Entity Name APPLICATION STATUS
Definition An association between APPLICATION and STATUS TYPE that stores the status of an APPLICATION.

APPLICATION STATUS TYPE

Entity Name APPLICATION STATUS TYPE
Definition A specific status of an APPLICATION
Examples are: in process, denied, and on hold for investigation

APPLICATION TYPE

Entity Name APPLICATION TYPE
Definition A classification of a Type of Application. Examples are: Initial and Renewal.

AUTHORIZATION

Entity Name AUTHORIZATION
Definition The event of approving a BUSINESS or a PERSON to operate or practice.
AUTHORIZATION, CREDENTIAL, ACCREDITATION, LICENSE, TEMPORARY LICENSE, PERMIT, CERTIFICATION, CERTIFICATE OF NEED, MEDICARE CERTIFICATION, EMS CERTIFICATION and

REGISTRATION are all terms that are used in HSQA to identify that a person or business is authorized to perform some type of HEALTH CARE SERVICE.

To further complicate the issue, in EMS they LICENSE things and CERTIFY people. In FSL, they LICENSE (authorize) HEALTH CARE SERVICES at a facility. In HPQA the term CREDENTIAL is used to authorize a PERSON or a BUSINESS to provide a HEALTH CARE SERVICE.

These terms all exist and are used in HSQA, so they have been documented and combined in this model for ease of understanding, and to facilitate the process of selecting a data base structure that will support HSQA requirements.

The following is the HPQA definition for CREDENTIAL - A License, Registration, Certification, or Permit (Authorization) issued to a FACILITY or HEALTH CARE PROVIDER, which authorizes the facility or provider to operate or practice.

AUTHORIZATION CONTACT EVENT

Entity Name	AUTHORIZATION CONTACT EVENT
Definition	An instance of communication concerning an AUTHORIZATION. Identifies who the contact person is and what role they played.

AUTHORIZATION RENEWAL

Entity Name	AUTHORIZATION RENEWAL
Definition	The event of a PERSON or BUSINESS going through the process of renewing an AUTHORIZATION.

AUTHORIZATION STATUS

Entity Name	AUTHORIZATION STATUS
Definition	An association between AUTHORIZATION and STATUS TYPE that stores the status of an AUTHORIZATION. Examples are active, inactive, suspended, revoked, expired, etc.

AUTHORIZATION STATUS TYPE

Entity Name	AUTHORIZATION STATUS TYPE
Definition	A specific status of an AUTHORIZATION. Examples are active, inactive, suspended, revoked, expired, etc.

AUTHORIZATION TYPE

Entity Name	AUTHORIZATION TYPE
Definition	A category of AUTHORIZATION.

Examples include: FSL AUTHORIZATION, CREDENTIAL, ACCREDITATION, TEMPORARY LICENSE, LICENSE, PERMIT, CERTIFICATION, CERTIFICATE OF NEED, MEDICARE CERTIFICATION, EMS CERTIFICATION, and REGISTRATION.

AUTHORIZATION VARIANCE

Entity Name	AUTHORIZATION VARIANCE
Definition	An association between AUTHORIZATION and VARIATION TYPE that allows the storage of all the variations for an AUTHORIZATION. These include: EXEMPTIONS, SPECIALITIES, ENDORSEMENTS, SANCTIONS, AUTHORIZATIONS, LIMITED AND EXPANDED SCOPES OF PRACTICE.

AUTHORIZED HEALTH CARE SERVICE

Entity Name	AUTHORIZED HEALTH CARE SERVICE
Definition	An association between AUTHORIZATION and HEALTH CARE SERVICE that stores information about the type of service(s) that may be included in the Authorization. Examples are: Home Care, Nursing Assistant, Pharmacist, and Massage Therapist.

BUSINESS

Entity Name	BUSINESS
Definition	This is a subtype of PARTY. A legal organization of interest to DOH. This may also be known as an AGENCY Examples are: University of Washington School of Medicine, Rite Aid, CCS of Western Washington, Auburn Regional Medical Center, and Delaney House.

BUSINESS FACILITY

Entity Name	BUSINESS FACILITY
Definition	An association between BUSINESS and FACILITY that stores information about a BUSINESS at a specific FACILITY. An example might be: a Rite Aid Pharmacy at the Stanwood Facility

BUSINESS FACILITY AUTHORIZATION

Entity Name	BUSINESS FACILITY AUTHORIZATION
Definition	An association between AUTHORIZATION and BUSINESS FACILITY that stores information about the Business and its Facility(s) included in the Authorization.

BUSINESS FACILITY PROGRAM

Entity Name BUSINESS FACILITY PROGRAM
Definition An association between BUSINESS FACILITY and HEALTH CARE PROGRAM that stores information about the HEALTH CARE PROGRAMS offered at a BUSINESS FACILITY.

BUSINESS FACILITY SERVICE

Entity Name BUSINESS FACILITY SERVICE
Definition An association between HEALTH CARE SERVICE and BUSINESS FACILITY that stores information about the type of Service(s) at a BUSINESS FACILITY.

BUSINESS FACILITY STATUS

Entity Name BUSINESS FACILITY STATUS
Definition An association between BUSINESS FACILITY and BUSINESS STATUS TYPE that stores the status of a BUSINESS FACILITY.

BUSINESS PERSON ROLE

Entity Name BUSINESS PERSON ROLE
Definition An association between BUSINESS FACILITY, and PERSON that stores information about the role a person plays at a specific facility. This could be a Physician, business owner or contact person, and this association allows the storage of multiple occurrences (history).

BUSINESS ROLE TYPE

Entity Name BUSINESS ROLE TYPE
Definition The concept of identifying type of role that a PERSON might play in a BUSINESS. Examples are: Physician, Volunteer, Owner, and Contact Person.

BUSINESS TYPE

Entity Name BUSINESS TYPE
Definition A classification or category of a BUSINESS. Examples include: Pharmacy, Hospital, & Drug Testing Lab.

CAPACITY TYPE

Entity Name CAPACITY TYPE

Definition A classification of different types of things that require a knowledge of volume or count.
Examples are: Number of beds, number of nurses, and number of rooms.

CASE

Entity Name CASE
Definition A health care related grievance or incident (COMPLAINT) reported or referred to DOH that is in some state of legal processing.
A CASE is usually based on a COMPLAINT, and the terms CASE and COMPLAINT, to some extent are used interchangeably.
It is difficult to determine when a COMPLAINT becomes a CASE!
At some point people start using the term CASE to describe what was previously called a COMPLAINT.

CASE COMMENT

Entity Name CASE COMMENT
Definition The concept of storing comments about a CASE. This allows for multiple comments to be entered and tracked.

CASE CONTINUANCE

Entity Name CASE CONTINUANCE
Definition The event of continuing (rescheduling, delaying, or postponing), a CASE to a later date.

CASE STATUS

Entity Name CASE STATUS
Definition CASE STATUS
An association between CASE and CASE STATUS TYPE that stores information about the status of a CASE.
Examples might be: Hearing Scheduled, 10-16-2003, Case Continued until 12-12-2003, Case Dismissed, 11-01-2003.

CASE STATUS TYPE

Entity Name CASE STATUS TYPE
Definition CASE STATUS TYPE
The states a CASE may pass through.
Examples Are: Hearing Scheduled, Case Dismissed, and Case Continued.

CERTIFICATE OF NEED

Entity Name CERTIFICATE OF NEED

Definition A subtype of AUTHORIZATION.
A type of Authorization that supports the business process of issuing a CERTIFICATE OF NEED.
A CERTIFICATE OF NEED may be issued as the result of determining if there is a need for a HEALTH CARE SERVICE and/or a FACILITY in a specific area.

COMPLAINANT

Entity Name COMPLAINANT
Definition This is a subtype of PERSON.
A PERSON that files a COMPLAINT with the Department of Health.

COMPLAINT

Entity Name COMPLAINT
Definition A health care related grievance, or incident reported or referred to DOH.
A CASE is usually based on a COMPLAINT, and the terms CASE and COMPLAINT, to some extent are used interchangeably.
It is difficult to determine when a COMPLAINT becomes a CASE!
At some point people start using the term CASE to describe what was previously called a COMPLAINT.

COMPLAINT COMMENT

Entity Name COMPLAINT COMMENT
Definition The concept of storing comments about a COMPLAINT. This allows for multiple comments to be entered and tracked.

COMPLAINT ENFORCEMENT REFERRAL

Entity Name COMPLAINT ENFORCEMENT REFERRAL
Definition An association between COMPLAINT and ENFORCEMENT EVENT that stores information about a COMPLAINT referred for an Enforcement Action.

COMPLAINT INVESTIGATION SURVEY

Entity Name COMPLAINT INVESTIGATION SURVEY
Definition An association between COMPLAINT and INVESTIGATION / SURVEY that stores information about an INVESTIGATION / SURVEY triggered by a COMPLAINT.

COMPLAINT PRIORITY LEVEL

Entity Name COMPLAINT PRIORITY LEVEL
Definition An association between COMPLAINT and PRIORITY LEVEL that stores information about the level (priority) of a COMPLAINT.

COMPLAINT RECEIVED CATEGORY

Entity Name COMPLAINT RECEIVED CATEGORY
Definition A classification of how a COMPLAINT is received.
Examples are: E-mail, Fax, and Phone.

COMPLAINT ROLE

Entity Name COMPLAINT ROLE
Definition The role that a PARTY plays in a COMPLAINT.
Examples are: witness, complainant, respondent, reviewer, etc.

COMPLAINT ROLE TYPE

Entity Name COMPLAINT ROLE TYPE
Definition The concept of identifying the different types of roles that a PARTY can play.
Examples are: witness, complainant, respondent, reviewer, etc.

COMPLAINT SOURCE TYPE

Entity Name COMPLAINT SOURCE TYPE
Definition A category of potential sources of a COMPLAINT.
Examples are: Patient, Colleague, Other Agency.

COMPLAINT STATUS

Entity Name COMPLAINT STATUS
Definition An association between COMPLAINT and COMPLAINT STATUS TYPE that stores information about the status of a COMPLAINT.
Examples might be: Complaint Filed 10-16-2003, Hearing Scheduled for 12-12-2003, Complaint Withdrawn, 11-01-2003.

COMPLAINT STATUS TYPE

Entity Name COMPLAINT STATUS TYPE
Definition The states a Complaint may pass through.
Examples Are: Complaint Filed, Hearing Scheduled, Complaint

Withdrawn, and Complaint Dismissed.

COMPLAINT TYPE

Entity Name	COMPLAINT TYPE
Definition	A category of COMPLAINT. Examples are: billing dispute, fraud, missed diagnosis, inappropriate questions.

COMPLIANCE COMMENT

Entity Name	COMPLIANCE COMMENT
Definition	The concept of storing comments about a COMPLIANCE EVENT. This allows for multiple comments to be entered and tracked.

COMPLIANCE EVENT

Entity Name	COMPLIANCE EVENT
Definition	An association between COMPLIANCE TYPE and DISCIPLINARY ACTION that allows the storage of information about any imposed conditions of compliance. Examples are: practice reviews, urinalysis reports, patient notification, progress reports, continuing education, and others.

COMPLIANCE STATUS

Entity Name	COMPLIANCE STATUS
Definition	An association between COMPLIANCE EVENT and COMPLIANCE STATUS TYPE that stores information about the status of a COMPLIANCE EVENT.

COMPLIANCE STATUS TYPE

Entity Name	COMPLIANCE STATUS TYPE
Definition	The states a COMPLIANCE EVENT may pass through. Examples Are: Hearing Scheduled, and Decision Appealed.

COMPLIANCE TYPE

Entity Name	COMPLIANCE TYPE
Definition	The concept of storing information about the type of conditions of compliance. Examples are: practice reviews, urinalysis reports, patient notification, progress reports, continuing education, and others.

CONSTRUCTION INSPECTION

Entity Name	CONSTRUCTION INSPECTION
Definition	This is a Sub Type of INSPECTION / SURVEY. An on-site review of construction progress for a Temporary Worker Housing project.

CONSTRUCTION PROJECT

Entity Name	CONSTRUCTION PROJECT
Definition	The event of designing and building or remodeling a structure or part of a structure that is of interest to HSQA (FSL).

CONSTRUCTION PROJECT TYPE

Entity Name	CONSTRUCTION PROJECT TYPE
Definition	The concept of identifying types of CONSTRUCTION PROJECTS that may be of interest. Examples are: Temporary Worker Housing, New Construction, and Remodeling.

CONTACT ROLE TYPE

Entity Name	CONTACT ROLE TYPE
Definition	The concept of identifying the different types of roles that a PARTY can play. Examples are: physician, business owner, witness, complainant, respondent, observer, reviewer, etc.

CONTINUANCE EVENT ROLE

Entity Name	CONTINUANCE EVENT ROLE
Definition	The role that a PERSON plays in a CASE CONTINUANCE. Examples are: judge, witness, complainant, respondent, observer, reviewer, etc.

CONTINUANCE EVENT ROLE TYPE

Entity Name	CONTINUANCE EVENT ROLE TYPE
Definition	The concept of identifying the different types of roles that a PARTY can play. Examples are judge, witness, complainant, respondent observer, reviewer, student, instructor, etc.

CONTINUANCE TYPE

Entity Name CONTINUANCE TYPE
Definition A classification or category of a type of Continuance.
Examples are: rescheduled, delayed or postponed.

CONTINUING ED ROLE TYPE

Entity Name CONTINUING ED ROLE TYPE
Definition The concept of identifying the different types of roles that a PARTY can play.
Examples are: student, instructor, etc.

CONTINUING EDUCATION COURSE

Entity Name CONTINUING EDUCATION COURSE
Definition A curriculum that has been approved to provide continuing education for a profession.

CONTINUING EDUCATION PERSON

Entity Name CONTINUING EDUCATION PERSON
Definition A PERSON and the role they play in a CONTINUING EDUCATION COURSE.
Examples are: student, instructor, etc.

CONTINUING EDUCATION REQUIREMENT

Entity Name CONTINUING EDUCATION REQUIREMENT
Definition An association between a CONTINUING EDUCATION COURSE and a PROFESSION TYPE that allows the storage and retrieval of a curriculum that has been approved for continuing education for a specific type of profession.

CREDENTIAL

Entity Name CREDENTIAL
Definition A subtype of AUTHORIZATION.
This is the term used in HPQA for licensing people.

DEFICIENCY COMMENT

Entity Name DEFICIENCY COMMENT
Definition Additional information associated with a specific DEFICIENCY ITEM.

This allows for multiple comments to be stored about a DEFICIENCY ITEM.

DEFICIENCY ITEM

Entity Name	DEFICIENCY ITEM
Definition	An item of non-compliance found during a SURVEY.

DESIGNATION TYPE

Entity Name	DESIGNATION TYPE
Definition	A classification of types of Designations. Examples are: Urban and Rural.

DISCIPLINARY ACTION

Entity Name	DISCIPLINARY ACTION
Definition	The event of requiring a business to perform some type of punitive or corrective action. Examples are: practice reviews, urinalysis reports, patient notification, progress reports, continuing education, and others.

DISCIPLINARY ACTION COMMENT

Entity Name	DISCIPLINARY ACTION COMMENT
Definition	The concept of storing comments about a DISCIPLINARY ACTION. This allows for multiple comments to be entered and tracked.

DISCIPLINARY ACTION TYPE

Entity Name	DISCIPLINARY ACTION TYPE
Definition	A category of DISCIPLINARY ACTION. Examples are: practice reviews, urinalysis reports, patient notification, progress reports, continuing education, and others.

DOCKET

Entity Name	DOCKET
Definition	The concept of identifying and establishing a calendar of all the HEARINGS that are scheduled during a specific time period.

DOH ORGANIZATION

Entity Name	DOH ORGANIZATION
--------------------	------------------

Definition The concept of grouping DOH programs and people for management purposes.
Examples are: FSL, EMS, HPQA, Section 8, Office of Health Care Survey, Office of Certification & Enforcement.

DOH POLICY/PROCEDURE

Entity Name DOH POLICY/PROCEDURE
Definition An association between POLICY, PROCEDURE, and DOH ORGANIZATION that stores information about the policies and procedures of the organization.

DRAWING

Entity Name DRAWING
Definition A diagram (blueprint) that represents the structural design of a CONSTRUCTION PROJECT.

DRAWING REVISION

Entity Name DRAWING REVISION
Definition A change or correction to a DRAWING.

E MAIL ADDRESS

Entity Name E MAIL ADDRESS
Definition The concept of storing the Electronic (E-mail) address of a PARTY.
This allows the capability of maintaining multiple E-mail addresses for a PARTY.

E MAIL ADDRESS TYPE

Entity Name E MAIL ADDRESS TYPE
Definition The concept of identifying types of e-mail addresses. Examples are home and business.

EDUCATION INSTITUTION

Entity Name EDUCATION INSTITUTION
Definition An Organization that provides education and training to HEALTH CARE PROFESSIONALS.
EDUCATION INSTITUTIONS are also hosts to educational programs.

EDUCATION INSTITUTION FACILITY

Entity Name EDUCATION INSTITUTION FACILITY
Definition An association between EDUCATION INSTITUTION and FACILITY that stores information about where EDUCATION INSTITUTIONS are located.

EDUCATION METHOD

Entity Name EDUCATION METHOD
Definition The type of education media and method used to present a class. Examples are: Classroom, Video, and Online.

ELIGIBILITY REQUIREMENT

Entity Name ELIGIBILITY REQUIREMENT
Definition The concept of identifying requirements for eligibility to be credentialed. Examples are High School Diploma, Nursing Assistant Training, and School of Dentistry Graduate.

EMPLOYEE

Entity Name EMPLOYEE
Definition This is a subtype of PERSON.
A PERSON that is hired and paid a salary or wages by DOH.

EMPLOYEE TYPE

Entity Name EMPLOYEE TYPE
Definition A category or type of EMPLOYEE.
Examples are Supervisor, Inspector, Analyst and Project Manager.

EMS CERTIFICATION

Entity Name EMS CERTIFICATION
Definition A subtype of AUTHORIZATION.
This is the term used by EMS for authorizing (licensing) people.

ENDORSEMENT

Entity Name ENDORSEMENT
Definition This is a subtype of ENDORSEMENT / EXEMPTION TYPE.
Allows the storage of all the endorsements for an AUTHORIZATION.

ENDORSEMENT / EXEMPTION TYPE

Entity Name ENDORSEMENT / EXEMPTION TYPE
Definition A category of endorsements, limitations and other variances. These include SPECIALITIES, ENDORSEMENTS, SANCTIONS, AUTHORIZATIONS, PRIVILEGE/LIMITS, and VARIANCES associated with an AUTHORIZATION.

ENFORCEMENT ACTION

Entity Name ENFORCEMENT ACTION
Definition The event of requiring a BUSINESS to comply with health regulations.

ENFORCEMENT APPEAL

Entity Name ENFORCEMENT APPEAL
Definition The event of a request by a BUSINESS to review an ENFORCEMENT ACTION.

ENFORCEMENT HEARING

Entity Name ENFORCEMENT HEARING
Definition The event of scheduling and conducting a HEARING about an ENFORCEMENT ACTION.

ENFORCEMENT STATUS

Entity Name ENFORCEMENT STATUS
Definition An association between ENFORCEMENT and ENFORCEMENT STATUS TYPE that stores information about the status of an ENFORCEMENT ACTION.

ENFORCEMENT STATUS TYPE

Entity Name ENFORCEMENT STATUS TYPE
Definition The states an ENFORCEMENT ACTION may pass through. Examples Are: Hearing Scheduled, and Decision Appealed.

ENFORCEMENT TYPE

Entity Name ENFORCEMENT TYPE
Definition A classification of ENFORCEMENT ACTIONS. Examples Are: Statement of Charges, Summary Action, Summary Suspension, Notice of Civil Penalty.

EQUIPMENT ITEM

Entity Name EQUIPMENT ITEM
Definition The concept of identifying vehicles and other types of equipment.

EQUIPMENT ITEM IMAGE

Entity Name EQUIPMENT ITEM IMAGE
Definition The concept of storing an image (picture) of an EQUIPMENT ITEM.

EQUIPMENT LICENSE

Entity Name EQUIPMENT LICENSE
Definition An association between LICENSE and EQUIPMENT ITEM that stores information about LICENSES for an EQUIPMENT ITEM.

EQUIPMENT TYPE

Entity Name EQUIPMENT TYPE
Definition The concept of identifying different types of equipment.
Examples are Vehicles and Safety Equipment.

EXAMINATION

Entity Name EXAMINATION
Definition The event of an APPLICANT or HEALTH CARE PROVIDER taking a test (examination), as required by DOH regulations.

EXAMINATION PERSON

Entity Name EXAMINATION PERSON
Definition A PERSON that is involved in an EXAMINATION.

EXAMINATION ROLE TYPE

Entity Name EXAMINATION ROLE TYPE
Definition The concept of identifying the different types of roles that a PARTY can play.
Examples are: observer, reviewer, student, instructor, etc.

EXAMINATION TYPE

Entity Name EXAMINATION TYPE
Definition A category of EXAMINATION. Examples Might be: Nursing Assistant, and Massage Therapist.

EXEMPTION

Entity Name EXEMPTION
Definition This is a subtype of ENDORSEMENT / EXEMPTION TYPE.
A special allowance to deviate from a REGULATION.
Examples: ceiling height, reduced space between bed and wall.

FACILITY

Entity Name FACILITY
Definition A physical structure at which DOH is responsible for regulating Health Care conditions and services. This could also be any building in which DOH has an interest.
This is also referred to as SITE.

FACILITY CAPACITY

Entity Name FACILITY CAPACITY
Definition An association between CAPACITY TYPE and FACILITY that allows the storage of information about different types of things that require knowledge of volume or count.
Examples are: 169 beds, and 23 rooms.

FACILITY DESIGNATION TYPE

Entity Name FACILITY DESIGNATION TYPE
Definition A classification of different levels of service for a FACILITY.
Examples are: Level 1, Level 2.

FACILITY EQUIPMENT

Entity Name FACILITY EQUIPMENT
Definition An association between FACILITY and EQUIPMENT ITEM that stores information about the type of equipment at a FACILITY.

FACILITY IMAGE

Entity Name FACILITY IMAGE

Definition The concept of storing an image (picture) of a FACILITY.

FACILITY LEVEL DESIGNATION

Entity Name FACILITY LEVEL DESIGNATION
Definition An association between FACILITY DESIGNATION TYPE and FACILITY that provides the ability to store the designation of a FACILITY.
Examples are: Harbor view Medical Center - Level 1, Capital Medical Center - Level 2.

FACILITY STATUS TYPE

Entity Name FACILITY STATUS TYPE
Definition The concept of identifying types of Status for a BUSINESS FACILITY.
Examples Are: Not Operating, Fell Below Jurisdiction, and Currently Licensed.

FACILITY TYPE

Entity Name FACILITY TYPE
Definition A classification of types of Facilities.
Examples are: Schools, Nursing Homes, Critical Access Hospital, Subsidized Clinic (State Funded), Subsidized Clinic (Free Clinic), EMS Agency and Rural Health Clinic.
This may also be known as a Provider Type in OCRH.

FEE PARAMETER

Entity Name FEE PARAMETER
Definition The unit by which a fee is determined.
Examples Are: Number of Beds, FTEs, Number of Units, and Number of Occupants.

FEE RANGE

Entity Name FEE RANGE
Definition The concept of identifying ranges for Fees.
Examples Are: 0 - 99 = \$25.00 & 100 - 199 = \$37.50.

FEE STRUCTURE

Entity Name FEE STRUCTURE
Definition The monetary amount of a fee (without parameter), that applies to a SERVICE TYPE.

FEE TYPE

Entity Name	FEE TYPE
Definition	A category of fee types. Examples Are: Initial, Renewal, Certificate of Need Review, Certificate of Need Amendment, and Change of Ownership.

FINANCIAL OBLIGATION

Entity Name	FINANCIAL OBLIGATION
Definition	The concept of storing information about the FINANCIAL OBLIGATION of a party.

FINANCIAL OBLIGATION TYPE

Entity Name	FINANCIAL OBLIGATION TYPE
Definition	A classification (type) of FINANCIAL OBLIGATION. Examples are: Fines, License renewal costs, and License application costs

FSL AUTHORIZATION

Entity Name	FSL AUTHORIZATION
Definition	This is a subtype of AUTHORIZATION. The event of authorizing (licensing) a business to provide a service type.

GEOGRAPHICAL AREA

Entity Name	GEOGRAPHICAL AREA
Definition	A GEOGRAPHICAL AREA that has been identified as of interest to DOH. These could be groups of Counties or other regions of interest, such as Eastern Washington, or Island Counties.

GEOGRAPHICAL AREA PROGRAM

Entity Name	GEOGRAPHICAL AREA PROGRAM
Definition	An association between GEOGRAPHICAL AREA and HSQA PROGRAM that stores information about programs that are offered in a GEOGRAPHICAL AREA.

HEALTH CARE PROGRAM

Entity Name	HEALTH CARE PROGRAM
Definition	An offering that is available to some sector of the Health Care Community. This could include HEALTH CARE PROVIDERS (individuals) as well as BUSINESSES. Examples are: Rural Health Programs, Rural Health Clinic Certification, Tuition Reimbursement Programs and Substitute Physician Programs.

HEALTH CARE PROGRAM DESIGNATION

Entity Name	HEALTH CARE PROGRAM DESIGNATION
Definition	An association between HEALTH CARE PROGRAM, GEOGRAPHICAL AREA, and DESIGNATION TYPE that allows the capability of storing the rules that govern a specific program.

HEALTH CARE PROGRAM ROLE

Entity Name	HEALTH CARE PROGRAM ROLE
Definition	The concept of identifying the different types of roles that a PARTY can play. Examples are: administrator, observer, reviewer, etc.

HEALTH CARE PROVIDER

Entity Name	HEALTH CARE PROVIDER
Definition	This is a subtype of PERSON. A PERSON involved in providing HEALTH CARE SERVICES.

HEALTH CARE PROVIDER STATUS

Entity Name	HEALTH CARE PROVIDER STATUS
Definition	An association between HEALTH CARE PROVIDER and PROVIDER STATUS TYPE stores the status of a HEALTH CARE PROVIDER. This allows for multiple statuses to be entered and tracked. Examples are active, inactive, retired, dead etc.

HEALTH CARE PROVIDER TYPE

Entity Name	HEALTH CARE PROVIDER TYPE
Definition	The concept of identifying types of HEALTH CARE SERVICE. Examples are Medical Physicians, Nursing Assistants, and

Occupational Therapists.

HEALTH CARE SERVICE

Entity Name	HEALTH CARE SERVICE
Definition	A category or sub-category of HEALTH CARE SERVICE. Examples are: Home Care, Acute Care, Medical Physician, Nursing Assistant, Pharmacist, and Massage Therapist.

HEALTH SERVICE AREA

Entity Name	HEALTH SERVICE AREA
Definition	A GEOGRAPHICAL AREA that has been identified and classified as a HEALTH SERVICE AREA. These are usually Counties or groups of Counties.

HEARING

Entity Name	HEARING
Definition	The event of conducting an informal or formal Inquiry/Trial.

HEARING STATUS

Entity Name	HEARING STATUS
Definition	An association between HEARING and HEARING STATUS TYPE that stores information about the status of a HEARING.

HEARING STATUS TYPE

Entity Name	HEARING STATUS TYPE
Definition	The states a HEARING may pass through. Examples Are: Hearing Scheduled, Hearing Ended, and Decision Appealed.

HEARING TYPE

Entity Name	HEARING TYPE
Definition	A classification of HEARING types. Examples are: informal and formal hearings.

HSQA ACTIVITY ASSIGNMENT

Entity Name	HSQA ACTIVITY ASSIGNMENT
Definition	An association between HSQA ACTIVITY and PERSON that stores

information about the assignments of HSQA Staff.

HSQA ACTIVITY ROLE TYPE

Entity Name	HSQA ACTIVITY ROLE TYPE
Definition	The concept of identifying the types of activities that are performed and tracked by HSQA Staff. Examples are: Investigative Service, Customer Service, Legal Review, and Process Application.

INSITUTION TRAINING PROGRAM

Entity Name	INSITUTION TRAINING PROGRAM

PRIVILEGE/LIMIT

Entity Name	PRIVILEGE/LIMIT
Definition	This is a subtype of ENDORSEMENT / EXEMPTION TYPE. These INCLUDE SPECIALITIES and ENDORSEMENTS, associated with an AUTHORIZATION.

PROCEDURE

Entity Name	PROCEDURE
Definition	A set of rules (procedure) that provide a guideline that HSQA is authorized to follow.

PROFESSION ELIGIBILITY REQUIREMENT

Entity Name	PROFESSION ELIGIBILITY REQUIREMENT
Definition	An association between ELIGIBILITY REQUIREMENT and PROFESSION that stores information about ELIGIBILITY REQUIREMENTS for a PROFESSION.

PROFESSION FEE

Entity Name	PROFESSION FEE
Definition	The concept of storing information about fees for a PROFESSION.

PROFESSION PROTOCOL

Entity Name	PROFESSION PROTOCOL
Definition	An association between PROTOCOL and PROFESSION that stores information about PROTOCOLS by PROFESSION.

PROFESSION SPECIALTY

Entity Name PROFESSIONAL SPECIALTY
Definition An association between SPECIALTY, PROFESSION and AUTHORIZATION, that stores information about the SPECIALTIES that are endorsed for an AUTHORIZATION.

PROFESSION TYPE

Entity Name PROFESSION TYPE
Definition This is a subtype of HEALTH CARE SERVICE.
Examples Are: Medical Physician, Nursing Assistant, Pharmacist, and Massage Therapist.

PROFICIENCY TEST

Entity Name PROFICIENCY TEST
Definition The event of evaluating the expertise and competence of a Lab.

PROFICIENCY TEST RESULT

Entity Name PROFICIENCY TEST RESULT
Definition The outcome (results) of a test to evaluate the expertise and competence of a Lab.

PROGRAM

Entity Name PROGRAM
Definition A process that supports one or more business functions of HSQA.
Examples are: Residential Care and Ambulatory Care.

PROGRAM STAFF ASSIGNMENT

Entity Name PROGRAM STAFF ASSIGNMENT
Definition An association that identifies staff assignments to a PROGRAM.

PROGRESS UPDATE

Entity Name PROGRESS UPDATE
Definition The progress made towards implementing a PLAN of CORRECTION ITEM.

PROJECT CONFERENCE

Entity Name PROJECT CONFERENCE
Definition The event of scheduling and holding a meeting to evaluate the status of a CONSTRUCTION PROJECT.

PROJECT INTERESTED PARTY

Entity Name PROJECT INTERESTED PARTY
Definition An association between PROJECT CONFERENCE and PROJECT INTERESTED PARTY that stores information about an individual involved in a conference.

PROJECT INTERESTED PARTY ROLE TYPE

Entity Name PROJECT INTERESTED PARTY ROLE TYPE
Definition The concept of identifying the different types of roles that a PARTY can play.
Examples are: observer, reviewer, media, participant, etc.

PROTOCOL

Entity Name PROTOCOL
Definition A set of rules (procedure) that identify how a specific medical procedure is to be performed.

PROVIDER STATUS TYPE

Entity Name PROVIDER STATUS TYPE
Definition The concept of identifying the status of a HEALTH CARE PROVIDER.
Examples are active, inactive, retired, etc.

PUBLIC DISCLOSURE COMMENT

Entity Name PUBLIC DISCLOSURE COMMENT
Definition The concept of storing comments about a PUBLIC DISCLOSURE EVENT.
This allows for multiple comments to be entered and tracked.

PUBLIC DISCLOSURE EVENT

Entity Name PUBLIC DISCLOSURE EVENT
Definition An event at which information about DOH related activities may be requested and granted.

PUBLIC DISCLOSURE PARTY

Entity Name Definition	PUBLIC DISCLOSURE PARTY A PERSON or BUSINESS involved in a PUBLIC DISCLOSURE EVENT.
-----------------------------------	--

PUBLIC DISCLOSURE ROLE TYPE

Definition A relationship between one AUTHORIZATION and another, where the supervising AUTHORIZATION provides professional oversight (supervision) to the other AUTHORIZATION.

SURETY BOND

Entity Name SURETY BOND
Definition An association between SURETY BOND TYPE and AUTHORIZATION / CREDENTIAL that stores information about a legally binding agreement that provides financial insurance.

SURETY BOND TYPE

Entity Name SURETY BOND TYPE
Definition A legally binding agreement that provides financial insurance.
This is required for some professions.

SURVEY

Entity Name SURVEY
Definition This is a Sub Type of INSPECTION / SURVEY.
An event at which a HEALTH CARE PROVIDER, BUSINESS or FACILITY is investigated for possible VIOLATIONS.

TECHNICAL ASSISTANCE

Entity Name TECHNICAL ASSISTANCE
Definition The event of HSQA Program Staff providing help (Technical

Assistance).

TECHNICAL ASSISTANCE PARTY

Entity Name	TECHNICAL ASSISTANCE PARTY
Definition	An association between a PERSON, TECHNICAL ASSISTANCE ROLE TYPE, and TECHNICAL ASSISTANCE that stores information about a individual's role while providing TECHNICAL ASSISTANCE.

TECHNICAL ASSISTANCE ROLE TYPE

Entity Name	TECHNICAL ASSISTANCE ROLE TYPE
Definition	The concept of identifying the different types of roles that a PARTY can play. Examples are: applicant, respondent, observer, reviewer, student, instructor, etc.

TECHNICAL ASSISTANCE TYPE

Entity Name	TECHNICAL ASSISTANCE TYPE
Definition	A classification of a type of TECHNICAL ASSISTANCE that may be provided. Examples Are: Help understanding regulations, Reviewing plans, and Explaining procedures.

TELEPHONE TYPE

Entity Name	TELEPHONE TYPE
Definition	A classification of types of Telephones, Examples are: Home, Business, and Cell.

TRAINING CLASS

Entity Name	TRAINING CLASS
Definition	A TRAINING CLASS that has been approved for a profession.

TRAINING CLASS APPROVAL

Entity Name	TRAINING CLASS APPROVAL
Definition	Stores information about who approved a TRAINING CLASS and when the TRAINING CLASS was approved.

TRAINING CLASS ROLE TYPE

Entity Name	TRAINING CLASS ROLE TYPE
Definition	The concept of identifying the different types of roles that a PARTY can play. Examples are: observer, reviewer, student, instructor, etc.

TRAINING PROGRAM

Entity Name	TRAINING PROGRAM
Definition	A curriculum that has been approved for a profession.

TRAUMA EVENT

Entity Name	TRAUMA EVENT
Definition	An association between a FACILITY (Hospital) and a TRAUMA EVENT TYPE that stores information about the TRAUMA EVENTS for a FACILITY. This is the equivalent of a Trauma Registry.

TRAUMA EVENT TYPE

Entity Name	TRAUMA EVENT TYPE
Definition	A classification or category of a TRAUMA EVENT.

VARIANCE

Entity Name	VARIANCE
Definition	This is a subtype of ENDORSEMENT / EXEMPTION TYPE. Identifies variances for an EMS CERTIFICATION.

VARIANCE STATUS

Entity Name	VARIANCE STATUS
Definition	An association between VARIANCE TYPE and AUTHORIZATION VARIANCE that stores information about the status of a VARIANCE.

VARIANCE STATUS TYPE

Entity Name	VARIANCE STATUS TYPE
Definition	The states a VARIANCE may pass through. Examples Are: under review, approved, and denied.

VIOLATION

Entity Name	VIOLATION
Definition	An occurrence of non-compliance with state laws or rules.

VIOLATION TYPE

Entity Name	VIOLATION TYPE
Definition	The concept of storing information about types of violations. Examples are: License Expired, No License, and Building Code Violation.
